“Arts on the Credit is an art tour like no other - a complete experience of original art, interesting, creative personalities, fabulous restaurants and stores, live music, community - a perfect way to spend an early Fall weekend in beautiful Port Credit.” - Marie Payne

Local developer, Edenshaw has joined the team as sponsor and host of the opening event on Friday 13<sup>th</sup> September at their Port Credit offices and will feature one piece from each participating artist for advance viewing. *Let us know if you can attend!*

This free art tour includes fine art, photography, glass, textiles, jewellery, ceramics, and wood carving, all carefully juried, and featuring local and GTA artists. This year, there are seven locations, starting with a group of artists in Clarke Memorial Hall in the west all the way to a cluster of retailers in the east.
